(2) Election Manifesto and Personal Statement

The Importance of an Election Manifesto:

We ask candidates standing for election as a Director for the AMEC Board to provide a Manifesto / personal statement outlining why you feel you can contribute and what you intend to bring to the Board during a two-year Term of Office if elected. We are looking for members who will commit to be active and wherever possible be supported by the resources of their own company. If a Ballot is necessary, the Election Manifesto and Personal Statement will be circulated to members to help them vote.

Thank you.

Name of candidate: Sophia Karakeva

.....

Name/Title/Company here: DataScouting

I ask the AMEC membership to vote for me and support my candidacy to become a Director of the AMEC Board.

Using my business experience these are the areas I believe AMEC needs to focus on and which would receive my support:

- Development of methodologies to measure information and communication technology (ICT)
- Crisis management technology

What I would bring to the AMEC Board. (Candidates can reference initiatives and contributions they have made to the media intelligence sector.)

I would like to bring to the AMEC Board the perspective of a technical provider, specializing in software solutions for the media intelligence industry. Explore how AMEC members can best benefit from technology in improving and optimizing staff efforts when measuring communication strategies and campaigns.
