(2) Election Manifesto / Personal Statement

Aseem Sood, CEO, Impact Research & Measurement Pvt. Ltd., India
Representing membership category: FULL

I ask the AMEC members in my category to vote for me and support my candidacy to become a Director of the AMEC Board.

I plan to support all of the efforts and initiatives of AMEC during my term and commit to volunteering my business experience and organization resources to advance the issues and areas of interest below forward during my term:

- Actively support the BOARD in **design and execution of international strategy**.
- **Contribute to AMEC knowledge initiatives**. In the past, I got an opportunity to join the teams working on M3 and IEF. Also supported the core team (briefly) to kick start the Academics SIG.
- **Help strengthen AMEC summit**, and other events, by bringing eminent speakers to AMEC events.
- **Continue to build on AMEC's presence and reputation in APAC**. Last 1.5 years were challenging but with AMEC Board's support we were able to:
 - Strengthen our ties with select industry bodies in the region.
 - Help create a COVID relief fund with PRCAL.
 - Align PRCAL leadership and their 'measurement' agenda with AMEC via a formal programme. Programme design is done; we will now be executing this programme over the next 6-12 months.
